

Cutting Tools

- Twist drills
- Miniature drills
- Sheet metal drills
- Core drills
- Step drills
- Centring and spot drills
- Taper pin drills

10

10.3 – 10.50

- Solid carbide drills
- Solid carbide tapping Tools
- Carbide reversible cutting inserts • Twist drills with reversible cutting inserts
- Masonry drills • Impact drills
- Drill bits for socket outlets

11

11.1 – 11.26

- Countersink and deburring tools
- Countersinks and deburrers
- WPL-Countersinks
- Counterbores
- Spot facing cutters

12

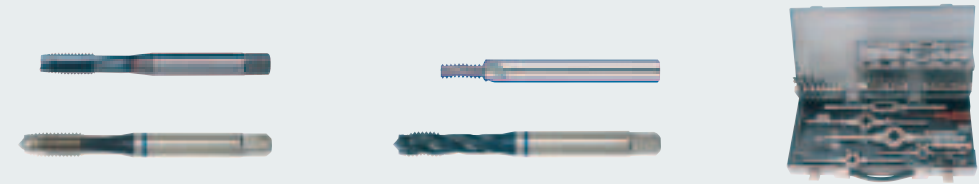

12.1 – 12.10

- Hand Reamers • Taper Reamers
- Helical taper pin reamers
- Taper structural reamers
- Chucking reamers
- Automatic machine reamers
- Clamp-on reamers
- Jet reamers

13

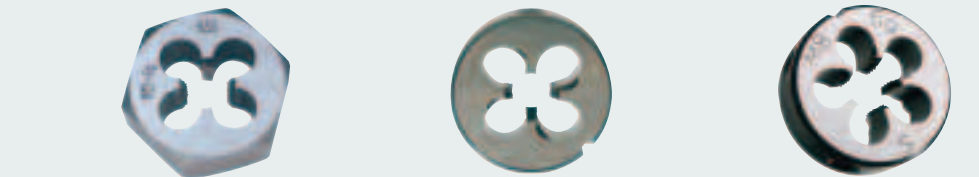

13.1 – 13.14

- Taps and thread moulders
- Solid carbide thread milling cutters • Thread repair assortments • Solid carbide Tapping tools • Tap extractors
- Arc erosion machines
- Tap and die sets

14

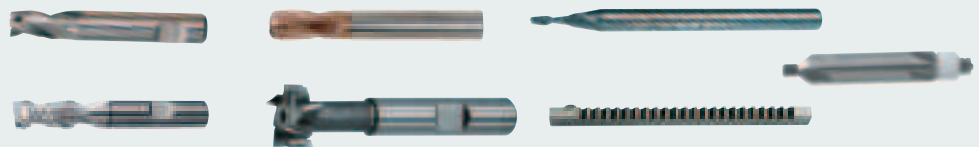

14.1 – 14.82

- Round dies

15

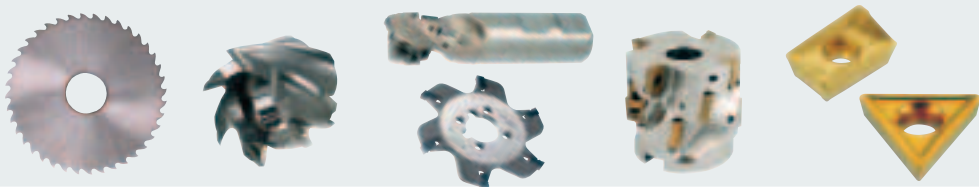

15.1 – 15.4

- HSS/HSS-E-milling cutters
- Solid carbide milling cutters
- Form end milling cutters
- Broaches

16

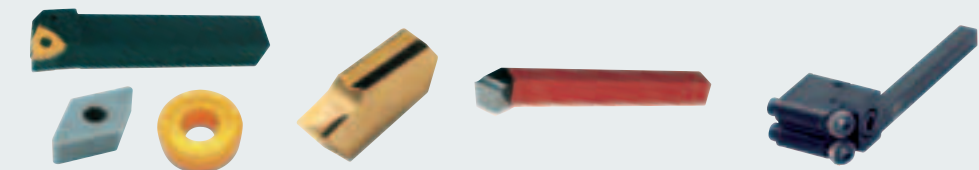

16.1 – 16.78

- Sawblades and inserts
- Milling cutters
- WPL milling cutters
- Reversible cutting inserts
- Core drills and countersinking cutters • Profile milling cutters
- Milling arbors

17

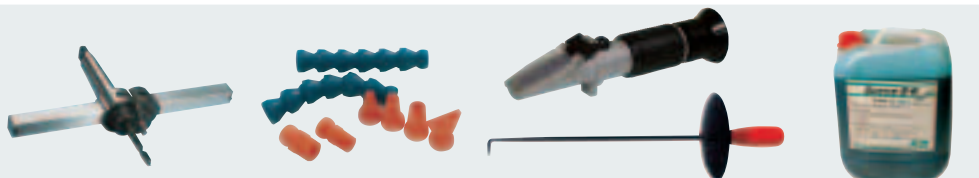

17.1 – 17.46

- Round tool bits • Parting off and Grooving tools
- Threading tools
- Tool bits and chisels
- Clip holders • Boring bars
- Reversible cutting inserts
- Knurling tools

18

18.1 – 18.98

- Circle cutters
- Coolant tubes
- Lubricants and concentrates
- Emulsion mixers
- Refractometers • Thread tallow
- Protective shields
- Chiphooks and scissors

19

19.1 – 19.6
